SUPPLEMENTAL RESPONSE TO OFFICE COMMUNICATION MAILED JANUARY 18,
2006

On January 18, 2006, the Patent Office mailed a communication informing appellants that the Appendix of Claims submitted by appellants with the Appeal Brief on October 2, 2003 was incorrect. Specifically, the communication informed appellants that the Appendix of Claims submitted with the Appeal Brief did not properly include the amended claim language submitted in the amendment received by the Patent Office on July 23, 2001.

In response to that communication, appellants submitted another Appendix of Claims on January 31, 2006 that was believed to be correct. Appellants have since then noticed that the Appendix of Claims submitted on January 31, 2006 is still incorrect in that it fails to include the amendments submitted by appellants on March 18, 2002. Accordingly, as stated during the oral hearing of May 15, 2008, appellants are submitting this supplemental response to the Office Communication Mailed January 18, 2006 that includes a corrected Appendix of Claims that properly reflects the pending claims in this matter.

No fees are believed to be due at this time. Please apply any other charges or credits to deposit account 06-1050, referencing Attorney Docket No. 06275-124001.

Respectfully submitted,
